· *Meeting called to order at 7:15 p.m. by Kevin Chumney*

Kevin outlined the need for a neighborhood association in North College Park. He and his wife Rachel applied for signage at the corner of Belt Line and Glenville Roads. The Richardson City Council recently approved \$3 million for neighborhood improvements. They have awarded \$120,000 to NCPA for new signage. The current signage is outdated and a new stone sign is needed to help beautify the area. Don Magner from City of Richardson Neighborhood Services addressed what the money awarded to NCPNA would be used for.

The new bylaws were presented to the forum by Kevin. Motion to approve the new bylaws; seconded and approved.

Kevin also presented the people serving on the Interim Board of Directors and there was a motion to approve the Interim Board of Directors until a new board can be voted in at the next scheduled meeting in September; seconded and approved.

Kevin outlined that several committees would be formed, including safety, beautification, social, membership and yard of the month and welcomed anyone wanting to become involved in any of the committees to fill out the handouts indicating their interest.

- Rachel Chumney addressed comments and suggestion sheets to fill out and turn in.

- Tanna Fox from the City of Richardson took questions from the forum. Concern was raised about who will tend to the park behind the new senior living apartments. Tanna assured the forum that the City of Richardson would pick up the trash and keep it clean.

- John Slaughter volunteered to get the new website up and running, and encouraged each person to sign up for e-mail notifications.

- Door prizes were given out. Thanks were given to Connie Thomas for doing a fine job in getting the area businesses to participate in the door prize drawings by giving free merchandise and services.

- \$748 was raised in membership dues at this meeting.

- Meeting was adjourned at 7:55 p.m.
