  - Basically, flat when comparing 2025 to 2024
  - We spent \$360.00 less on Flag Lease due to fewer median flag placements, \$200, plus a couple fewer flags ordered this year.
  - We have 88 people who renewed memberships for 2025 with 56 members renewing memberships with flags.
  - It is interesting that 16 North College Park Residents have contracted directly with Rotary for flags. Two members have accidentally double paid Rotary. Some are members as well and some are not.
  - To generate income from dues, we ought to take on the responsibility to message members with notices to renew dues and/or flag and let Rotary message them as well. No matter what direction we go we will have some duplicate messaging.
